YL Council Drops Maintenance District

YORBA LINDA Consideration of plans for the creation of a second maintenance district in the eastern portion of the city came to a sudden end Monday night when the City Council was told that the city did not have any maintenance easements in the area.

The proposed district would have covered the area on both sides of Fairmont Boulevard north of Yorba Linda Boulevard. The formation of the district had been strongly opposed by residents of the area.

In a related matter the Council approved a tentative tract map on the west side of Fairmont south of the junior college site.

The map was opposed by Mayor Henry Wedaa, who felt that a proposed greenbelt park on the south side of the tract was inadequate.

Councilmen approved a request Charts and maps showing the from Mrs. Robert Huff to allow proposed changes, new zones and her to build a fence in the center of Cajon Canal pending final resolution of the question of title to that portion of the canal.

Your Trouble Is Just Nerves...Or Is It?

"Your trouble is nerves, that's all" many have been told.

But, according to Dr. Donald Brinkley of Brinkley

Chiropractic ~ Offices, your nerves are too important to your body to be dismissed so easily.

"You must

remember, he Dr. Donald says, "that Brinkley

every function taking place in your body is under control of the nerve system. I call it the Master System of the Human Body."

A healthy nervous system gives you strength and energy for the day's work. It brushes aside sickness, it shrugs off ordinary aches and pains. It fights off the usual deterioration of "middle age." All in all, it gives you that "isn't-itgreat-to-be alive" feeling day after glorious day.

An unhealthy nervous system? "That's a different story," Dr. Brinkley says, "one that can be titled **NERVOUSNESS.**"

According to Dr. Brinkley, there is a dictionary definition of nervousness; and a nervous patient's understanding of the word. "Quite obviously," he says, "the

two can differ greatly." "While a patient may complain that he is easily upset, often he cannot put into words what he means by feeling nervous," says Dr. Brinkley. "To the patient, feeling nervous can be an unpleasant, sometimes frightening experience making it difficult to work or concentrate and causing him to feel anxious and apprehensive. Often he will be restless, fidgety and easily startled. He may

display mannerisms such as

nailbiting and he may be

irritable, show worry or act bewildered.

"Additionally," Dr. Brinkley goes on, "there can be palpitation of the heart, gastric distress, headaches, blurred vision and irregularity."

"You must remember however, nervousness is not a disease in iteself. It is symptomatic or a series of symptoms of some physical problem in the body.

"Left uncorrected," he adds, "nervousness can cause a multitude of serious, chronic conditions. And virtually all major psychotic disorders begin with the symptoms of nervousness."

Dr. Brinkley urges these people who experience frequent nervousness or its symptoms to seek accurate diagnosis and treatment.

"A simple, painless nerve test can quickly reveal nervous disorders," Dr. Brinkley notes.

Persons who suffer from nervousness or fatigue owe it to themselves and their families to have their nerve systems tested to find out for sure.

"Some of my most rewarding experiences with my patients have come following the freeing of a "blocked nerve" and the release of nature's wondrous healing and sustaining power," Dr. Brinkley says.

"I sincerely hope that those people who find a relationship between the problems I've described and their own condition will well done by the drama look to the modern doctor for help."

Chairman of the Accident Investigation Board of the City of Placentia is Alfred J. Stabile, a senior engineer with the department of public works. Serving with Stabile are Lt. Walter Pichon of the police department and Captain James Babbitt of the fire department.

According to Stabile, the object of the committee is how to prevent accidents, and, should one occur, to study how to prevent a recurrence.

The home of Miss Roberts maternal grand-parents, Mr. and Mrs. William Kamai Sr., on leeward Oahu and that of her aunt and uncle, Mr. and Mrs. Frederick Kamai on the island's windward side, welcomed the mainland visitors.

The highlight of the trip was a 5-day stay on Maui where the girls enjoyed the luxury of the Maui Hilton and Maui Eldorado hotels located at the Kaanapali beach resort.

A welcome home barbeque was held for the travelers and their parents at the Roberts' home July 25 with chicken and spareribs highlighting the menu. Those attending with their daughters were Mr. and Mrs. John Burns of 19522 Old Ranch Rd., Yorba Linda, and Mr. and Mrs. Walter Shreading of 443 St.

Bob-Etts Allstars won their first game in the Montclair tournament last Saturday when their opponent, Buena Park, did not arrive for the scheduled game and forfeited, 7-0.

The Major Bob-Etts Allstars also won their first game of the tournament by pounding Artesia 21 to 1. Kathy Burkey pitched a one hitter in seven innings of ball. Terry Nelson had the big bat for the Allstars as she went four for four times at bat.

The Placentia Major Allstars defeated a tough Montclair team by a score of 9 to 3 Sunday. Candy Traeger pitched a well controlled ball game and struck out five batters enroute to a victory. The hitting stars were Terry

who doubled a long one to drive in two runs.

In the second Major Allstar game Sunday, Placentia went ahead in the second inning to defeat Diamond Bar 10 to 1, behind the outstanding pitching of Angie Shryrock and great defensive plays by Gail Walz and Candy Traeger. Sue Ashford went two for three at the bat and Pat Laguna added her big bat to drive in three runs.

In the Minor League Championship game, the Minors were ahead in the seventh inning. They lost the ball game, however, by a decision of the Tournament Board when the two hour time limit was called in the seventh to revert to the score in the sixth inning Nelson, who went two for when Montclair was ahead.

We invite comparison!

When you stop to think about it, it's the everyday prices that run up your weekly food bill. Most of us are price conscious, and we all want to know where to get the most for our money.

Not long ago, Ralphs ran a newspaper ad listing all our everyday prices. The headline read, "Take this ad into any supermarket and compare our everyday prices." We still feel the same way. We want you to compare prices.

We're the only supermarket in town to GUARANTEE you: No everyday supermarket prices are lower prices than Ralphs prices on identical items or quality, excluding weekly advertised specials.

Chargers Win Again In Costa Mesa

The Placentia Chargers, with the strong pitching arm and heavy hitting of Tammy Gibson, snatched a victory from the Costa Mesa Royals Sunday night at McFadden Field 4-3.

It was a 3-2 game for Costa Mesa going into the bottom of the seventh inning. A smashing single by Tammy Gibson started a big rally for the Chargers. Chris Goodman got on with an error by the right fielder, bringing Catcher Melanie Hermanson up to bat, who also got on base on an error, which brought Tammy home to tie up the game. Chris Goodman scored the winning run when Gail Freudenberg hit a high fly to left field.

being between the Bullets and Bombers of the NBA.

With the Bullets in first by only one game, today's game will decide the championship. The Squires clinched a tie for first in the ABA as did the Trojans in the NCAA.

Water Polo Team Kicked Out Of League

El Dorado's waterpolo team was literally robbed of a chance to make the playoffs in the Fullerton Recreation Department waterpolo league last Tuesday, July 27.

While playing mediocre Buena. Park, the referee, Bob Zetner called the game, gave the Hawk's a forfeit, and kicked them out of the league.

The trouble started when Zetner kicked Mike Wiegand out of the game with a few minutes left to play. Coach Walter Druff became very disgusted since Zetner has kicked out a Hawk poloist every game this summer. Zetner then told Druff to get his player out of the water and threw the ball at Wiegand.

Robert Wilkie, Fullerton Recreation Superintendent, stated the Hawks will be able to play their remaining two games and the problems between Zetner and EDHS would be looked into. However Druff claimed, "We won't go back into that league."

Members of the Bob-Etts all-star team which is playing in the local league's tournament this week are, back from left, Kathy Ricks, Karen Knox, Trish Rosa, Terry Gallagher, Debbie Bradshaw, Lisa Puettmann; middle from left, Nyla Parkins, Karen Hood, Dianna Rossi, Kelly Bryan, Dianna Caulkins; Jeanne Callahan, Cathy Christie; front from left, Laurie Lanctot, Mary Cruz, Kelleen Caster, Valerie Schmidt, Debbie Davis, and Sherri Stamm.

Bob—Etts Invitational **Tournament Now Underway**

The Bob-Etts of Placentia will host the third Annual Invitational Tournament August 3, 5, 6, 7, and 8 with both Minor and Major Divisions defending their won from Costa Mesa's Minor and Major Divisions.

The Minor's will play their first game Thursday, August 5, at 6 p.m. at Kraemer School against La Habra's Minors. The Majors will also go against their first opponent, West Covina, at the same time. Four fields will have games simultaneously.

Because of installation of storm sewers, play has been moved from Tuffree Park, where it was originally scheduled to Kraemer School Grounds.

Because there will be a shortage of parking at Kraemer parents and fans of Bob-Etts are asked to use the Valencia High School parking lot, and the Kraemer School parking lot, on Bradford, so the visiting teams can park in the areas closest to the playing field.

The tournament is double elimination and will provide five days of competitive softball and enjoyment for

Cities competing in this invitational tournament include in the Minor League, Placentia, Artesia I, Artesia II, La Habra, Orange and Costa Mesa. In the 1970 Championship titles Major League, Placentia, Artesia I, and Artesia II, Orange, El Centro, Costa Mesa, La Habra, West Covina and Norco will compete.

ED Cagers Tie VHS For Fourth

El Dorado's fresh-soph basketball team has tied Valencia for fourth place and a chance to make the playoffs.

EDHS beat Valencia by six in a close game. Now VHS must finish the season against Troy and first place Sunny Hills, while the Hawks play Brea No. 1 and No. 2. The outcome of these four games will give either the Hawks or the Tigers a chance in the playoffs.

Swimmer Wins Pentathlon At **Annual Contest**

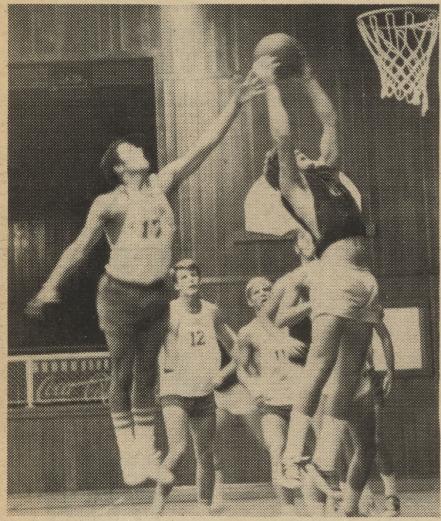

Six-year-old Sharon Jennings of Yorba Linda won the Pentathlon in her age group in the third annual pentathlon championship sponsored by the Southern California Aquatics Club Fins Division. The July competition was held at the Foothill High School in Tustin.

Swimmers competed by age group acquiring points as they executed the various exercises. The Pentathlon requires that swimmers do specific strokes such as the indo, butterfly, back, breast, and free stroke.

Sharon, who swims under the direction of head coach Walt Druff with the Placentia Division of the club, also won first place in all her events this year in the A Division of the Orange County State Conference. She plans to participate in both the semi-finals on August 7 and the finals on August 12. Both meets will be held at the Foothill High School.

Sharon is the daughter of Mr. and Mrs. Bert Jennings of 17101 Foley Dr., Yorba Linda.

YL Volunteens Help With Notice Mailing

Who says kids don't like the City staff in to work?? Last week when the Yorba Linda City Clerk's office was faced with the task of sending public hearing notices to 2,600 Yorba Linda property owners, the Volunteens from the summer recreation program came to the rescue. Volunteens are Yorba Linda young people who devote their services free of charge to the summer recreation program under the direction of Ken Sparks. However, last week they willingly came to the aid of the City staff.

In addition to manning the Recreation Department telephone desk, the Volunteens who typed addresses for approximately 500 envelopes were Cheryl Dayton, Dana Stewart, Jill Murrow, Leslie Maples, Denise Dabelstein, Carrie Spaeth and Mary Jean Boglino.

Then on Friday, the deadline for mailing the notices, 15 young people converged on City Hall and for three solid hot hours, collated, stapled, folded, stuffed, sealed, and stamped the never-ending stacks of envelopes. No one complained, even though the only compensation was donuts, punch, and a little publicity. One Volunteen quipped - "I wonder how Los Angeles does this sort of thing?"

Prior to Friday's assembly-line work, Volunteen Dana Stewart spent several hours assisting
